# Summary

Product name	Firetruck 1:16
Article number	23746237
EAN code	A123456789B
Batch code	04042020
Details of product received	One PDF file of the artwork packaging.
Provided language(s)	English and Dutch
Requested translation(s)	French
Date label received	April 25th, 2020
Date of review	May 1st, 2020
Reviewed by	Chris Tjan

## Conclusion

In the opinion of Précon Quality Services the submitted label is **NOT in compliance** with the labelling requirements of the Toy Safety Directive 2009/48/EC and the relevant European standard EN 71-1:2014+A1 2018.

After adjustments are made according to the remarks in this report, the submitted label will be in compliance with the labelling requirements of the Toy Safety Directive 2009/48/EC and the relevant European standard EN 71-1:2014+A1 2018.

## Provided language(s): English and Dutch

### GB

Do not recharge non-rechargeable batteries; remove rechargeable batteries before charging (if these can be removed); only charge rechargeable batteries under adult supervision; do not use different types of batteries and do not use a mixture of new and used batteries; only use batteries of the recommended type or of a comparable type; be sure to observe the correct polarity when installing the batteries; remove empty batteries; do not short-circuit the power connections.

Electric devices contain valuable materials and at the end of their lifecycle should not be disposed of with the household waste! Assist with environmental protection, use natural resources sparingly, and hand this equipment in at the recycling depots intended for that purpose. Please contact your local council for further information.

Retain this information, contains important information.

### NL

Laad niet-oplaadbare batterijen niet op; verwijder oplaadbare batterijen vóór het opladen (indien verwijderbaar); laad oplaadbare batterijen alleen onder toezicht van een volwassene op; gebruik geen verschillende types batterijen of nieuwe en gebruikte batterijen door elkaar; gebruik alleen batterijen van het aanbevolen of van een vergelijkbaar type; let op de juiste polariteit bij het plaatsen van de batterijen; verwijder lege batterijen; sluit de voedingsaansluitingen niet kort.

Elektrische apparaten bevatten waardevolle stoffen en behoren op het einde van de levenscyclus niet bij het huishoudelijk afval!. Help met de milieubescherming en met het spaarzaam omgaan met de natuurlijke hulpbronnen en geeft dit apparaat af bij de daarvoor bevoegde recyclingdepots. U kunt zich voor nadere inlichtingen wenden tot uw gemeente.

Deze informatie bewaren, bevat belangrijke informatie.

**GB** : Warning. Small parts. Choking hazard.  
**NL** : Waarschuwing. Kleine onderdelen. Verstikkingsgevaar.

## Requested translation(s): French

### **F**

Ne pas recharger des piles non rechargeables; retirer les piles rechargeables avant de les recharger (si amovibles); ne recharger les piles rechargeables que sous la surveillance d'un adulte; ne pas mélanger différents types de piles ou des anciennes avec des nouvelles; n'utiliser que des piles du même type ou d'un type similaire à celui recommandé; les piles doivent être insérées en respectant la polarité; les piles vides doivent être retirées; les bornes d'alimentation ne peuvent pas être court-circuitées.

Les appareils électriques sont des matières précieuses et ne peuvent être mis au rebut avec les déchets ménagers à la fin de leur cycle de vie! Contribuez à la protection de l'environnement et à l'utilisation économe des ressources naturelles et remettez cet appareil à un dépôt de recyclage prévu à cet effet. Veuillez vous adresser à votre commune pour plus d'informations à ce sujet.

Instructions à conserver, comprend d'importantes informations.

**F:** Attention. Petits éléments. Danger d'étouffement.

## Warnings

**EN 71-1:2014+A1:2018 - Clause 7.2 - Toys not intended for children under 36 months**

GB: Warning. Not suitable for children under 3 years.

NL: Waarschuwing. Niet geschikt voor kinderen jonger dan 3 jaar.

F: Attention. Ne convient pas aux enfants de moins de 3 ans.

## 0-3 age warning symbol

**EN 71-1:2014+A1:2018 - Clause 7.2 - Toys not intended for children under 36 months**

The age warning symbol shall be accompanied by the word “Warning”.

The details of the design above shall be as follows:

- the circle and the stroke shall be red;
- the background shall be white;
- the age range and the outline of the face shall be black;
- the symbol shall have a diameter of at least 10 mm.

The symbol shall be used to indicate only “0 to 3” years and not for any other age-grade warning to avoid misinterpretation of the symbol.
